1 Plaintiff sets forth following as its complaint:  
2

3 **PARTIES TO THIS ACTION**

4 **(Incorporated into Each Cause of Action Below)**

5 1. Plaintiff is a Delaware limited partnership with its principal place of business located  
6 in Orange County, California.

7 2. Upon information and belief, defendant BRC Inc. ("the Company") is a business entity,  
8 form unknown, but believed to be a Delaware corporation with its headquarters located in Utah. The  
9 Company is a publicly traded company listed on the New York Stock Exchange.

10 3. Upon information and belief, defendants Authentic Brands LLC ("Authentic") and Black  
11 Rifle Coffee Company LLC ("BRCC-LLC") are business entities, form unknown, but believed to be  
12 Delaware limited liability companies. The Company currently is the managing member of, and holds  
13 all of the voting interest in, Authentic, which is in turn the parent of BRCC-LLC.

14 4. Plaintiff is ignorant of the true names and capacities of those defendants sued herein as  
15 Does 1 through 100, inclusive, and therefore sues these defendants by such fictitious names. Plaintiff  
16 will amend this complaint to assert the true names and/or capacities of such fictitiously named  
17 defendants when the same have been ascertained.

18 5. Upon information and belief, each of the defendants, including each of those named  
19 herein as DOES, was the master, servant, agent, employee, representative and/or alter ego of every other  
20 defendant, and was acting within the course and scope of such relationship, and/or with their co-  
21 defendants' permission and consent, or in some other actionable manner, and thus is co-responsible for  
22 the acts, errors, and omissions referred to in this complaint and that proximately caused plaintiff's  
23 damages as alleged.

24  
25 **RELEVANT FACTS**

26 **(Incorporated into Each Cause of Action Below)**

27 6. BRCC-LLC was formed on or about December 1, 2017. Since inception through the  
28 present, its primary business is to sell and distribute coffee products. Authentic was formed in or about

1 2018, and up until February 9, 2022, was the parent of BRCC-LLC. On or about December 3, 2020,  
2 SilverBox Engaged Merger Corp. I ("SilverBox") was formed as a special purpose acquisition company  
3 or SPAC. Also known as a blank check company, a SPAC is a company that has no commercial  
4 operations and is formed strictly to raise capital through an initial public offering of securities ("IPO")  
5 for the purpose of acquiring or merging with an existing company. Through its IPO, SilverBox issued  
6 equity securities as well as redeemable warrants to purchase additional shares of its stock at the rate of  
7 one warrant per share, at an exercise price of \$11.50 a share (the "Warrants"). To effectuate the  
8 issuance of the Warrants, on February 25, 2021, SilverBox entered into a Warrant Agreement ("the  
9 Warrant Agreement") with Continental Stock Transfer & Trust Company, a true and correct copy of  
10 which is attached as Exhibit A.

11 7. SilverBox's registration statement for the IPO became effective on February 25, 2021  
12 (the same day that it entered into the Warrant Agreement), and the IPO was consummated on March  
13 2, 2021, generating gross proceeds of approximately \$345 million. SilverBox thereafter identified  
14 BRCC-LLC as its target. By agreement dated as of November 2, 2021, and as thereafter amended,  
15 SilverBox entered into a merger agreement, titled Business Combination Agreement ("BCA"), with  
16 Authentic, BRCC-LLC, the Company (which was formed by SilverBox on October 26, 2021, in order  
17 to effectuate the merger), and others. The BCA closed on February 9, 2022, with the Company  
18 becoming the parent of Authentic and BRCC-LCC, and with the controlling owner of Authentic and  
19 BRCC-LCC, which is the entity through which the Company conducts substantially all of its business,  
20 owning a majority of the shares of stock issued and outstanding in the Company. Pursuant to the BCA,  
21 the Company assumed all obligations of the Warrant Agreement.

22 8. On the following day, February 10, 2022, the Company started public trading on the  
23 New York Stock Exchange ("NYSE") of its shares and Warrants. In a series of transactions  
24 commencing on or about February 14, 2022, plaintiff purchased a total of approximately 500,000  
25 Warrants on the open market at an average price of approximately \$3.00 per warrant.

26 9. In addition to purchasing the Warrants, and as a hedge against its position, plaintiff  
27 periodically wrote call options against its Warrants.

28 ///

**FIRST CAUSE OF ACTION**

**(Breach of Contract/Implied Covenant of Good Faith and Fair Dealing)**

10. An implied term of the Warrant Agreement is the covenant of good faith and fair dealing, implied in every contract, pursuant to which each party covenants not to do anything to unfairly interfere with the rights of any other party to receive the full benefits of the contract.

11. Paragraph 7.4.1 of the Warrant Agreement (Exhibit A hereto) states in pertinent part as follows:

The Company agrees that as soon as practicable, but in no event later than fifteen (15) Business Days after the closing of its initial Business Combination [which occurred on February 9, 2022, the fifteenth (15th) business thereafter being March 3, 2022], it shall use its reasonable best efforts to file with the [U.S. Securities and Exchange] Commission a registration statement for the registration, under the Securities Act [of 1933, as amended] of the shares of common stock issuable upon exercise of the Warrants. The Company shall use its reasonable best efforts to cause the same to become effective within sixty (60) Business Days following the closing of the initial Business Combination and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration or redemption of the Warrants in accordance with the provisions of this Agreement.

12. Each of the Defendants breached the Warrant Agreement by, including but not limited to, the following acts, errors, or omissions: (1) failing to use its reasonable best efforts to file with the U.S. Securities and Exchange Commission ("SEC"), as soon as practicable but in no event later than March 3, 2022, a registration statement for the registration, under the Securities Act of 1933, as amended, of the shares of common stock issuable upon exercise of the Warrants, and instead delaying until March 16, 2021, to file that registration statement; and (2) slow walking the registration process so that the SEC did not declare the registration statement effective until 4:00 p.m. EDT on May 4, 2022, which was the 60th Business Days following the closing of the initial BCA on February 9, 2022.

13. Instead of complying in good faith with its obligations under the Warrant Agreement,

1 on April 4, 2022, the Company issued a Notice of Redemption of All Outstanding Warrants ("the  
2 Redemption Notice"), a true and correct copy of which is attached as Exhibit B. Pursuant to the terms  
3 of the Redemption Notice, the Company gave notice that at 5:00 p.m. EDT, it was redeeming all  
4 outstanding Warrants at a price of ten cents (\$0.10) per warrant. Further pursuant to Redemption  
5 Notice, the holders of the Warrants were given until 5:00 p.m. EDT on May 4, 2022, to exercise the  
6 Warrants on a cashless basis, pursuant to which the Company would redeem each of the Warrants in  
7 exchange for .361 shares of its Class A common stock. Further pursuant to the Redemption Notice, for  
8 holders of the Warrants to exercise their Warrants on a cashless basis (or else suffer the consequences  
9 of having the Warrants redeemed by the Company at the price of ten cents (\$0.10) per warrant), those  
10 holders would have to deliver to the Company's transfer agent in New York City by 5:00 p.m. EDT on  
11 May 4, 2022, a Warrant Certificate and a fully and properly completed Election to Purchase. Thus, as  
12 a practical matter, at no time were any of the holders of the Warrants, including plaintiff, ever able to  
13 exercise their Warrants except on a cashless basis, pursuant to which they would receive .361 shares  
14 of the Company's Class A common stock for each of its Warrants.

15 14. The operative effect of the Company's acts, errors and omissions was to deprive holders  
16 of the Warrants, including plaintiff, of receiving the full benefits of the Warrant Agreement. By way  
17 of illustration, at the close of trading on the NYSE on April 11, 2022, the share price of the Company's  
18 Class A common stock was \$33.11. Had holders of Warrants been able to exercise their Warrants on  
19 that date, they would have had to have paid an exercise price of \$11.50 per share, for which they would  
20 have received an equivalent number of shares of Class A common stock valued at \$33.11, for a profit  
21 per share of \$21.61 for each of the Warrants exercised (less the cost of acquiring those Warrants).  
22 Instead, pursuant to the cashless exercise in accordance with the Redemption Notice, on May 4, 2022,  
23 each holder of the Warrants received .361 shares of common stock for each of the Warrants. Inasmuch  
24 as at the close of trading on the NYSE on May 4, 2021, the share price of the Company's Class A  
25 common stock was \$14.61, in effect each holder of the Warrants received shares of stock having an  
26 equivalent value per share of \$5.27 (again less the cost of acquiring those Warrants), a profit difference  
27 of \$16.34 per share.

28 15. Plaintiff has performed all obligations required of it pursuant to the Warrant Agreement.

1           25.    As a result of defendants' acts, errors, and omissions set forth above, plaintiff has  
2 suffered detriment in that it purchased Warrants which it otherwise would not have purchased and  
3 engaged in hedge trading in securities of the Company in which it otherwise would not have engaged.

4           26.    By reason of the foregoing, plaintiff has been damaged in an amount not capable of exact  
5 determination at present but which, upon information and belief, will exceed \$5,000,000.

6           27.    In connection with their acts, errors and omissions set forth above, defendant acted with  
7 such malice, oppression, and/or fraud within the meaning of California *Civil Code* § 3294 such as to  
8 subject each of them to an award of punitive damages in favor of plaintiff in an amount to be determined  
9 by the trier of fact.

10  
11

**FOURTH CAUSE OF ACTION**  
**(Constructive Fraud Against All Defendants)**

12  
13           28.    Plaintiff repeats the prior allegations of this complaint.

14           29.    By reason of the fiduciary duty owed by defendants to plaintiff as set forth above, each  
15 of the defendants owed to plaintiff the concomitant duty to inform plaintiff that the defendants had no  
16 intention of abiding in good faith by the terms and conditions of the Warrant Agreement.

17           30.    Plaintiff justifiably relied on defendants' failures to inform plaintiff that defendants  
18 would not be abiding in good faith with the terms and conditions of the Warrant Agreement, and in  
19 accordance therewith purchased approximately 500,000 Warrants on the open market.

20           31.    As a result of defendants' acts, errors, and omissions set forth above, plaintiff has  
21 suffered detriment in that it purchased Warrants which it otherwise would not have purchased and  
22 engaged in hedge trading in securities of the Company in which it otherwise would not have engaged.

23           32.    By reason of the foregoing, plaintiff has been damaged in an amount not capable of exact  
24 determination at present but which, upon information and belief, will exceed \$5,000,000.

25           33.    In connection with their acts, errors and omissions set forth above, defendant acted with  
26 such malice, oppression, and/or fraud within the meaning of California *Civil Code* § 3294 such as to  
27 subject each of them to an award of punitive damages in favor of plaintiff in an amount to be determined  
28 by the trier of fact.

1 **FIFTH CAUSE OF ACTION**

2 **(Violation of California Corporations Code § 25400 et seq. Against All Defendants)**

3 34. Plaintiff repeats the prior allegations of this complaint.

4 35. By reason of certain agreements entered into by one or more of the defendants with the  
5 owners of BRCC-LLC and other corporate insiders, those owners and insiders would acquire, pursuant  
6 to performance based vesting metrics, shares of stock in the Company after the closing of the BCA in  
7 the event that the share price of the Company's Class A common stock exceeded certain designated  
8 values.

9 36. In order to enable those owners and insiders to acquire those shares of stock, defendants,  
10 in concert and conspiracy with one or more of those owners and insiders, and in violation of California  
11 Corporations Code § 25400 et seq., purposely engaged in a course of conduct to drive up the share  
12 price of the Company's Class A common stock so as to meet the designated values, which course of  
13 conduct included, without limitation, failing to abide by the terms and conditions of the Warrant  
14 Agreement as set forth above, issuing the Redemption Notice, and redeeming the Warrants in  
15 accordance with the Redemption Notice.

16 37. By reason of the foregoing, plaintiff has been damaged in an amount not capable of exact  
17 determination at present but which, upon information and belief, will exceed \$5,000,000.

18  
19 **WHEREFORE**, plaintiff prays for judgment jointly and severally against each of the  
20 defendants for the following relief:

- 21 1. monetary damages according to proof in a sum not exactly calculated as yet but believed  
22 to be in excess of \$5,000,000;
- 23 2. punitive damages in an amount in the discretion of the triers of fact;
- 24 3. pre-judgment interest at the rate of ten percent (10%) per annum from February 9, 2022;
- 25 4. costs of suit, including reasonable attorney's fees to the extent permitted by statute or  
26 contract.

WARRANT AGREEMENT

Dated as of February 25, 2021

THIS WARRANT AGREEMENT (this “**Agreement**”), dated as of February 25, 2021 is by and between SilverBox Engaged Merger Corp I, a Delaware corporation (the “**Company**”), and Continental Stock Transfer & Trust Company, a New York corporation, as warrant agent (the “**Warrant Agent**”).

WHEREAS, on February 25, 2021 the Company entered into that certain Private Placement Warrants Purchase Agreement, with SilverBox Engaged Sponsor LLC, a Delaware limited liability company (“**Sponsor**”), pursuant to which Sponsor will purchase an aggregate of up to 6,266,667 warrants (including up to 600,000 warrants subject to the Over-allotment Option (as defined below)) simultaneously with the closing of the Offering (and the closing of the Over-allotment Option) (as defined below), if applicable, bearing the legend set forth in Exhibit B hereto (the “**Private Placement Warrants**”) at a purchase price of \$1.50 per Private Placement Warrant. Each Private Placement Warrant entitles the holder thereof to purchase one share of Common Stock (as defined below) at a price of \$11.50 per share, subject to adjustment as described herein; and

WHEREAS, in order to finance the Company’s transaction costs in connection with an intended Business Combination, the Sponsor or affiliates of the Sponsor or certain of the Company’s officers and directors may, but are not obligated to, loan the Company funds as the Company may require, of which up to \$1,500,000 may be convertible into up to an additional 1,000,000 Private Placement Warrants of the post Business Combination entity at a price of \$1.50 per warrant;

WHEREAS, the Company is engaged in an initial public offering (the “**Offering**”) of units of the Company’s equity securities, each such unit comprised of one share of Common Stock and one-third of one redeemable Public Warrant (as defined below) (the “**Units**”) and, in connection therewith, has determined to issue and deliver up to 11,500,000 redeemable warrants (including up to 1,500,000 redeemable warrants subject to the Over-allotment Option (as defined below)) to public investors in the Offering (the “**Public Warrants**” and, together with the Private Placement Warrants, the “**Warrants**”). Each whole Warrant entitles the holder thereof to purchase one share of Class A common stock of the Company, par value \$0.0001 per share (“**Common Stock**”), for \$11.50 per whole share, subject to adjustment as described herein. Only whole Warrants are exercisable. A holder of the Public Warrants will not be able to exercise any fraction of a Warrant;

WHEREAS, the Company has filed with the U.S. Securities and Exchange Commission (the “**Commission**”) a registration statement on Form S-1, File No. 333-252827 and prospectus (the “**Prospectus**”), for the registration, under the Securities Act of 1933, as amended (the “**Securities Act**”), of the Units, the Public Warrants and the shares of Common Stock included in the Units;

WHEREAS, the Company desires the Warrant Agent to act on behalf of the Company, and the Warrant Agent is willing to so act, in connection with the issuance, registration, transfer, exchange, redemption and exercise of the Warrants;

WHEREAS, the Company desires to provide for the form and provisions of the Warrants, the terms upon which they shall be issued and exercised, and the respective rights, limitation of rights, and immunities of the Company, the Warrant Agent, and the holders of the Warrants; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Warrants, when executed on behalf of the Company and countersigned by or on behalf of the Warrant Agent, as provided herein, the valid, binding and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the express terms and conditions set forth in this Agreement.

2. Warrants.

2.1 Form of Warrant. Each Warrant shall initially be issued in registered form only. Warrants may be represented by one or more physical definitive certificates or by book-entry.

2.2 Effect of Countersignature. If a physical definitive certificate is issued, unless and until countersigned by the Warrant Agent, either by manual or facsimile signature, pursuant to this Agreement, a Warrant certificate shall be invalid and of no effect and may not be exercised by the holder thereof.

2.3 Registration.

2.3.1 Warrant Register. The Warrant Agent shall maintain books (the “**Warrant Register**”), for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants in book-entry form, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company. All of the Public Warrants shall initially be represented by one or more book-entry certificates deposited with the Depository and registered in the name of a nominee of the Depository (as defined below). Ownership of beneficial interests in the Public Warrants shall be shown on, and the transfer of such ownership shall be effected through, records maintained by (i) the Depository or its nominee for each book-entry certificate or (ii) institutions that have accounts with The Depository Trust Company (the “**Depository**”) (such institution, with respect to a Warrant in its account, a “**Participant**”).

If the Depository subsequently ceases to make its book-entry settlement system available for the Public Warrants, the Company may instruct the Warrant Agent regarding making other arrangements for book-entry settlement. In the event that the Public Warrants are not eligible for, or it is no longer necessary to have the Public Warrants available in, book-entry form, the Warrant Agent shall provide written instructions to the Depository to deliver to the Warrant Agent for cancellation each book-entry Public Warrant, and the Company shall instruct the Warrant Agent to deliver to the Depository definitive certificates in physical form evidencing such Warrants which shall be in the form annexed hereto as Exhibit A.

The physical definitive certificates, if issued, shall be signed by, or bear the facsimile signature of, the Chairman of the Board, Chief Executive Officer, Chief Financial Officer, the President or the Secretary or other principal officer of the Company. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.3.2 Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is registered in the Warrant Register (the “**Registered Holder**”) as the absolute owner of such Warrant and of each Warrant represented thereby (notwithstanding any notation of ownership or other writing on any physical definitive certificate made by anyone other than the Company or the Warrant Agent), for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.4 Detachability of Warrants. The shares of Common Stock and Public Warrants comprising the Units shall begin separate trading on the 52nd day following the date of the Prospectus or, if such 52nd day is not on a day other than a Saturday, Sunday or federal holiday on which banks in New York City are generally open for normal business (a “**Business Day**”), then on the immediately succeeding Business Day following such date, or earlier (the “**Detachment Date**”) with the consent of Citigroup Global Markets Inc. and Deutsche Bank Securities Inc. but in no event shall the shares of Common Stock and the Public Warrants comprising the Units be separately traded until (A) the Company has filed a current report on Form 8-K with the Commission containing an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Offering, including the proceeds received by the Company from the exercise by the underwriters of their right to purchase additional Units in the Offering (the “**Over-allotment Option**”), if the Over-allotment Option is exercised prior to the filing of the Form 8-K, and a second or amended current report on Form 8-K to provide updated financial information to reflect the exercise of the Underwriters’ Over-allotment option, if the Over-allotment option is exercised following the initial filing of such current report on Form 8-K and (B) the Company issues a press release and files with the Commission a Current Report on Form 8-K announcing when such separate trading shall begin.

2.5 Fractional Warrants. The Company shall not issue fractional Warrants other than as part of the Units, each of which is comprised of one share of Common Stock and one-third of one Public Warrant. If, upon the detachment of Public Warrants from the Units or otherwise, a holder of Warrants would be entitled to receive a fractional Warrant, the Company shall round down to the nearest whole number the number of Warrants to be issued to such holder.

2.6 Private Placement Warrants. The Private Placement Warrants shall be identical to the Public Warrants, except that so long as they are held by the Sponsor or any of its Permitted Transferees (as defined below) the Private Placement Warrants: (i) may be exercised on a cashless basis, pursuant to subsection 3.3.1(c) hereof, (ii) including the shares of Common Stock issuable upon exercise of the Private Placement Warrants, may not be transferred, assigned or sold until thirty (30) days after the completion by the Company of an initial Business Combination (as defined below), (iii) shall not be redeemable by the Company (except as set forth in Section 6, below) and (iv) shall only be redeemable by the Company pursuant to Section 6.2 if the Reference Value (as defined below) is less than \$18.00 per share (subject to adjustment in compliance with Section 4 hereof); provided, however, that in the case of (ii), the Private Placement Warrants and any shares of Common Stock issued upon exercise of the Private Placement Warrants may be transferred by the holders thereof:

- (a) to the Company’s officers, directors or employees, any affiliates or family members of any of the Company’s officers, directors or employees, any members of the Sponsor, or any affiliates of the Sponsor;
- (b) in the case of an individual, transfers by gift to a member of the individual’s immediate family members, to a trust, the beneficiary of which is a member of the individual’s immediate family or an affiliate of such person, or to a charitable organization;
- (c) in the case of an individual, transfers by virtue of laws of descent and distribution upon death of the individual;
- (d) in the case of an individual, transfers pursuant to a qualified domestic relations order;
- (e) transfers by private sales or transfers made in connection with the consummation of a Business Combination at prices no greater than the price at which the securities were originally purchased;

(f) transfers in the event of the Company's liquidation prior to the completion of an initial Business Combination;

(g) transfers by virtue of the laws of the State of Delaware or the Sponsor's limited liability company agreement upon dissolution of the Sponsor;

(h) in the event of the Company's completion of a liquidation, merger, stock exchange, reorganization or other similar transaction which results in all of the Company's public stockholders having the right to exchange their shares of Common Stock for cash, securities or other property subsequent to the completion of the initial Business Combination; and

(i) to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (a) through (h) above; provided, however, that in the case of clauses (a) through (e) and (i), these permitted transferees (the "**Permitted Transferees**") must enter into a written agreement with the Company agreeing to be bound by the transfer restrictions in this Agreement.

### 3. Terms and Exercise of Warrants.

3.1 Warrant Price. Each Warrant shall entitle the Registered Holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company the number of shares of Common Stock stated therein, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term "**Warrant Price**" as used in this Agreement shall mean the price per share (including in cash or by payment of Warrants pursuant to a "cashless exercise," to the extent permitted hereunder) described in the prior sentence at which shares of Common Stock may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than twenty (20) Business Days (unless otherwise required by the Commission, any national securities exchange on which the Warrants are listed or applicable law), provided, that the Company shall provide at least twenty (20) days prior written notice of such reduction to Registered Holders of the Warrants and, provided further that any such reduction shall be identical among all of the Warrants.

3.2 Duration of Warrants. A Warrant may be exercised only during the period (the "**Exercise Period**") (A) commencing on the later of: (i) the date that is thirty (30) days after the first date on which the Company completes a merger, share exchange, asset acquisition, share purchase, reorganization or similar transaction, involving the Company and one or more businesses (a "**Business Combination**"), and (ii) the date that is twelve (12) months from the date of the closing of the Offering, and (B) terminating at the earliest to occur of: (x) 5:00 p.m., New York City time on the date that is five (5) years after the date on which the Company completes its initial Business Combination, (y) the liquidation of the Company in accordance with the Company's certificate of incorporation, as amended from time to time, if the Company fails to consummate a Business Combination, and (z) other than with respect to the Private Placement Warrants then held by the Sponsor or a Permitted Transferee with respect to a redemption pursuant to Section 6.1 hereof or, if the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), Section 6.2 hereof (each, an "**Inapplicable Redemption**"), the Redemption Date (as defined below) as provided in Section 6.3 hereof (the "**Expiration Date**"); provided, however, that the exercise of any Warrant shall be subject to the satisfaction of any applicable conditions, as set forth in subsection 3.3.2 below, with respect to an effective registration statement or a valid exemption therefrom being available. Except with respect to the right to receive the Redemption Price (as defined below) (other than with respect to an Inapplicable Redemption) in the event of a redemption (as set forth in Section 6 hereof), each Warrant (other than a Private Placement Warrant then held by the Sponsor or a Permitted Transferee in the event of an Inapplicable Redemption) not exercised on or before the Expiration Date shall become null and void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at 5:00 p.m. New York City time on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided, that the Company shall provide at least twenty (20) days prior written notice of any such extension to Registered Holders of the Warrants, and, provided further that any such extension shall be identical in duration among all the Warrants.

### 3.3 Exercise of Warrants.

3.3.1 Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant may be exercised by the Registered Holder thereof by surrendering it at the office of the Warrant Agent or at the office of its successor as Warrant Agent, together with (i) an election to purchase form, duly executed, electing to exercise such Warrant; and (ii) payment in full of the Warrant Price for each full share of Common Stock as to which the Warrant is exercised and any and all applicable taxes due in connection with the exercise of the Warrant, the exchange of the Warrant for the shares of Common Stock and the issuance of such shares of Common Stock, as follows:

(a) in lawful money of the United States, in good certified check or good bank draft payable to the order of the Warrant Agent or by wire;

(b) [reserved]

(c) with respect to any Private Placement Warrant, so long as such Sponsor Warrant is held by the Sponsor or a Permitted Transferee, by surrendering the Warrants for that number of shares of Common Stock equal to (i) if in connection with a redemption of Private Placement Warrants pursuant to Section 6.2 hereof, as provided in Section 6.2 hereof with respect to a Make-Whole Exercise (as defined below) and (ii) in all other scenarios the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the excess of the “Sponsor Fair Market Value”, as defined in this subsection 3.3.1(c), over the Warrant Price by (y) the Sponsor Fair Market Value. Solely for purposes of this subsection 3.3.1(c), the “**Sponsor Fair Market Value**” shall mean the average closing price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date on which notice of exercise of the Private Placement Warrant is sent to the Registered Holders;

(d) on a cashless basis, as provided in Section 6.2 hereof with respect to a Make-Whole Exercise;

or

(e) on a cashless basis, as provided in Section 7.4 hereof.

The Warrant Agent shall forward funds received for warrant exercises in a given month by the 5th business day of the following month by wire transfer to an account designated by the Company.

3.3.2 Issuance of Shares of Common Stock on Exercise. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if payment is pursuant to subsection 3.3.1(a)), the Company shall issue to the Registered Holder of such Warrant a book-entry position or certificate, as applicable, for the number of full shares of Common Stock to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new book-entry position or countersigned Warrant, as applicable, for the number of shares of Common Stock as to which such Warrant shall not have been exercised. If fewer than all the Warrants evidenced by a book-entry Warrant are exercised, a notation shall be made to the records maintained by the Depository, its nominee to each book-entry Warrant, or a Participant, as appropriate, evidencing the balance of the Warrants remaining after such exercise. Notwithstanding the foregoing, the Company shall not be obligated to deliver any shares of Common Stock pursuant to the exercise of a Warrant and shall have no obligation to settle such Warrant exercise unless (a) a registration statement under the Securities Act covering the issuance of the Common Stock underlying the Public Warrants is then effective and (b) a prospectus relating thereto is current, subject to the Company’s satisfying its obligations under Section 7.4 or a valid exemption from registration is available. No Warrant shall be exercisable and the Company shall not be obligated to issue shares of Common Stock upon exercise of a Warrant unless the shares of Common Stock issuable upon such Warrant exercise have been registered, qualified or deemed to be exempt from registration or qualification under the securities laws of the state of residence of the Registered Holder of the Warrants. Subject to Section 4.6 of this Agreement, a Registered Holder of Public Warrants may exercise its Public Warrants only for a whole number of shares of Common Stock. In no event will the Company be required to net cash settle the Warrant exercise. The Company may require holders of Public Warrants to settle the Warrant on a “cashless basis” pursuant to Section 7.4. If, by reason of any exercise of Warrants on a “cashless basis,” the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share of Common Stock, the Company shall round down to the nearest whole number, the number of shares of Common Stock to be issued to such holder.

3.3.3 Valid Issuance. All shares of Common Stock issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and non-assessable.

3.3.4 Date of Issuance. Each person in whose name any book-entry position or certificate, as applicable, for shares of Common Stock is issued shall for all purposes be deemed to have become the holder of record of such shares of Common Stock on the date on which the Warrant, or book-entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate in the case of a certificated Warrant, except that, if the date of such surrender and payment is a date when the share transfer books of the Company or book-entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the share transfer books or book-entry system are open.

3.3.5 Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not affect the exercise of the holder's Warrant, and such holder shall not have the right to exercise such Warrant, to the extent that after giving effect to such exercise, such person (together with such person's affiliates) to the Warrant Agent's actual knowledge, would beneficially own in excess of 9.8% (or such other amount as a holder may specify) (the "**Maximum Percentage**") of the shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such person and its affiliates shall include the number of shares of Common Stock issuable upon exercise of the Warrant with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrant beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). For purposes of the Warrant, in determining the number of issued and outstanding Common Stock, the holder may rely on the number of issued and outstanding Common Stock as reflected in (1) the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q, current report on Form 8-K or other public filing with the Commission as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Transfer Agent setting forth the number of Common Stock issued and outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. By written notice to the Company, the holder of a Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

#### 4. Adjustments.

##### 4.1 Stock Dividends.

4.1.1 Split-Ups. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split-up of shares of Common Stock or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be increased in proportion to such increase in the outstanding shares of Common Stock. A rights offering to holders of shares of Common Stock entitling holders to purchase shares of Common Stock at a price less than the “Historical Fair Market Value” (as defined below) shall be deemed a stock dividend of a number of shares of Common Stock equal to the product of (i) the number of shares of Common Stock actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the shares of Common Stock) multiplied by (ii) one (1) minus the quotient of (x) the price per share of Common Stock paid in such rights offering divided by (y) the Historical Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for shares of Common Stock, in determining the price payable for shares of Common Stock, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “**Historical Fair Market Value**” means the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the shares of Common Stock trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

4.1.2 Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or make a distribution in cash, securities or other assets to the holders of the shares of Common Stock on account of such shares of Common Stock (or other shares of the Company’s capital stock into which the Warrants are convertible), other than (a) as described in subsection 4.1.1 above, (b) Ordinary Cash Dividends (as defined below), (c) to satisfy the redemption rights of the holders of the shares of Common Stock in connection with a proposed initial Business Combination, (d) to satisfy the redemption rights of the holders of the shares of Common Stock in connection with a stockholder vote to amend the Company’s amended and restated certificate of incorporation (A) to modify the substance or timing of the Company’s obligation to provide for the redemption of its Common Stock or to redeem 100% of the shares of Common Stock included in the Units sold in the Offering if the Company does not complete the Business Combination within the period set forth in the Company’s amended and restated certificate of incorporation or (B) with respect to any other provision relating to stockholders’ rights or pre-Business Combination activity, or (e) in connection with the redemption of shares of Common Stock included in the Units sold in the Offering upon the failure of the Company to complete its initial Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Board, in good faith) of any securities or other assets paid on each share of Common Stock in respect of such Extraordinary Dividend. For purposes of this subsection 4.1.2, “**Ordinary Cash Dividends**” means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the shares of Common Stock during the 365-day period ending on the date of declaration of such dividend or distribution (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of shares of Common Stock issuable on exercise of each Warrant) to the extent it does not exceed \$0.50 (being 5% of the offering price of the Units in the Offering).

4.2 Aggregation of Shares. If after the date hereof, and subject to the provisions of Section 4.6 hereof, the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

4.3 Adjustments in Warrant Price.

4.3.1 Whenever the number of shares of Common Stock purchasable upon the exercise of the Warrants is adjusted, as provided above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of shares of Common Stock purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of shares of Common Stock so purchasable immediately thereafter.

4.3.2 If (i) the Company issues additional shares of Common Stock or securities convertible into or exercisable or exchangeable for shares of Common Stock for capital raising purposes in connection with the closing of its initial Business Combination (not including any forward purchase shares) at an issue price or effective issue price of less than \$9.20 per share of Common Stock (with such issue price or effective issue price to be determined in good faith by the Board and in the case of any such issuance to the Sponsor or its affiliates, without taking into account any founder shares held by such holder or affiliates, as applicable, prior to such issuance) (the “**New Issuance Price**”), (ii) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the initial Business Combination on the date of the consummation thereof (net of redemptions) and (iii) the volume weighted average trading price of the Common Stock during the 20 trading day period starting on the trading day prior to the day on which the Company consummates the initial Business Combination (such price, the “**Market Value**”) is below \$9.20 per share, then the Warrant Price shall be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the New Issuance Price and the Redemption Trigger Price (as defined below) shall be adjusted to equal to 115% of the higher of the Market Value and the Newly Issued Price, the \$10.00 per share redemption trigger price described in Section 6.2 shall be adjusted (to the nearest cent) to be equal to the higher of the Market Value and the Newly Issued Price and the \$18.00 per share redemption trigger price described in Section 6.1 and Section 6.2 shall be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price.

4.4 Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding shares of Common Stock (other than a change under Section 4.1 or Section 4.2 hereof or that solely affects the par value of such shares of Common Stock), or in the case of any merger or consolidation of the Company with or into another entity or conversion of the Company into another type of entity (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding shares of Common Stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the shares of Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “**Alternative Issuance**”); provided, however, that (i) if the holders of the shares of Common Stock were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the shares of Common Stock in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the shares of Common Stock (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by stockholders of the Company as provided for in the Company’s amended and restated certificate of incorporation or as a result of the repurchase of shares of Common Stock by the Company if a proposed initial Business Combination is presented to the stockholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor rule)) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act (or any successor rule)) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act (or any successor rule)) more than 50% of the outstanding shares of Common Stock, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a stockholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the shares of Common Stock held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided, further, that if less than 70% of the consideration receivable by the holders of the shares of Common Stock in the applicable event is payable in the form of common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) equal to the difference, if positive, of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) minus (B) the Black-Scholes Warrant Value (as defined below) (which amount determined under this clause (ii) shall not be less than zero). The “**Black-Scholes Warrant Value**” means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets (“**Bloomberg**”). For purposes of calculating such amount, (1) Section 6 of this Agreement shall be taken into account, (2) the price of each share of Common Stock shall be the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (3) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event, and (4) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. “**Per Share Consideration**” means (i) if the consideration paid to holders of the shares of Common Stock consists exclusively of cash, the amount of such cash per share of Common Stock, and (ii) in all other cases, the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in shares of Common Stock covered by subsection 4.1.1, then such adjustment shall be made pursuant to subsection 4.1.1 or Sections 4.2, 4.3 and this Section 4.4. The provisions of this Section 4.4 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event will the Warrant Price be reduced to less than the par value per share issuable upon exercise of the Warrant.

4.5 Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares of Common Stock purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based; provided, however, that no adjustment to the number of shares of Common Stock issuable upon exercise of a Warrant shall be required until cumulative adjustments amount to 1% or more of the number of shares of Common Stock issuable upon exercise of a Warrant as last adjusted; provided, further, that any such adjustments that are not made are carried forward and taken into account in any subsequent adjustment. Notwithstanding the foregoing, all such carried forward adjustments shall be made (i) in connection with any subsequent adjustment that (taken together with such carried forward adjustments) would result in a change of at least 1% in the number of shares of Common Stock issuable upon exercise of a Warrant and (ii) on the exercise date of any Warrant. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3 or 4.4 in connection with which an adjustment is made to the Warrant Price or the number of shares of Common Stock issuable upon exercise of a Warrant, the Company shall give written notice of the occurrence of such event to each holder of a Warrant, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.6 No Fractional Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares of Common Stock upon the exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share, the Company shall, upon such exercise, round down to the nearest whole number the number of shares of Common Stock to be issued to such holder.

4.7 Form of Warrant. The form of Warrant need not be changed because of any adjustment pursuant to this Section 4, and Warrants issued after such adjustment may state the same Warrant Price and the same number of shares of Common Stock as is stated in the Warrants initially issued pursuant to this Agreement; provided, however, that the Company may at any time in its sole discretion make any change in the form of Warrant that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

4.8 Other Events. In case any event shall occur affecting the Company as to which none of the provisions of the preceding subsections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment; provided, however, that under no circumstances shall the Warrants be adjusted pursuant to this Section 4.8(ii) as a result of any issuance of securities in connection with a Business Combination or (ii) solely as a result of an adjustment to the conversion ratio of the Company's Class B common stock, \$0.0001 par value per share, into Common Stock. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended in such opinion.

## 5. Transfer and Exchange of Warrants.

5.1 Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, in the case of certificated warrants, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant representing an equal aggregate number of Warrants shall be issued and the old Warrant shall be cancelled by the Warrant Agent. In the case of certificated warrants, the Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2 Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request for exchange or transfer and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that in the event that a Warrant surrendered for transfer bears a restrictive legend (as in the case of the Private Placement Warrants), the Warrant Agent shall not cancel such Warrant and issue new Warrants in exchange thereof until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrants must also bear a restrictive legend.

5.3 Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a warrant certificate or book-entry position for a fraction of a Warrant, except as part of the Units.

5.4 Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5 Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrants required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, shall supply the Warrant Agent with Warrants duly executed on behalf of the Company for such purpose.

5.6 Transfer of Warrants. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Unit in which such Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Unit. Furthermore, each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Notwithstanding the foregoing, the provisions of this Section 5.6 shall have no effect on any transfer of Warrants on and after the Detachment Date.

## 6. Redemption.

6.1 Redemption of Warrants for Cash. Subject to Section 6.5 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time while they are exercisable and prior to their expiration, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at the Redemption Price of \$0.01 per Warrant, provided that (a) the Reference Value equals or exceeds \$18.00 per share (the “**Redemption Trigger Price**”); subject to adjustment in compliance with Section 4 hereof) and (b) there is an effective registration statement covering the issuance of the shares of Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day Redemption Period (as defined in Section 6.3 below).

6.2. Redemption of Warrants for Common Stock. Subject to Section 6.5 hereof, not less than all of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon notice to the Registered Holders of the Warrants, as described in Section 6.3 below, at a Redemption Price of \$0.10 per Warrant, provided that the Reference Value equals or exceeds \$10.00 per share (subject to adjustment in compliance with Section 4 hereof) and (ii) if the Reference Value is less than \$18.00 per share (subject to adjustment in compliance with Section 4 hereof), the Private Placement Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants. During the 30-day Redemption Period in connection with a redemption pursuant to this Section 6.2, Registered Holders of the Warrants may elect to exercise their Warrants on a “cashless basis” pursuant to subsection 3.3.1 and receive a number of shares of Common Stock determined by reference to the table below, based on the Redemption Date (calculated for purposes of the table as the period to expiration of the Warrants) and the “Redemption Fair Market Value” (as such term is defined in this Section 6.2) (a “**Make-Whole Exercise**”). Solely for purposes of this Section 6.2, the “**Redemption Fair Market Value**” shall mean the volume weighted average price of the Common Stock for the ten (10) trading days immediately following the date on which notice of redemption pursuant to this Section 6.2 is sent to the Registered Holders. In connection with any redemption pursuant to this Section 6.2, the Company shall provide the Registered Holders with the Redemption Fair Market Value no later than one (1) Business Day after the ten (10) trading day period described above ends.

The exact Redemption Fair Market Value and Redemption Date may not be set forth in the table above, in which case, if the Redemption Fair Market Value is between two values in the table or the Redemption Date is between two redemption dates in the table, the number of shares of Common Stock to be issued for each Warrant exercised in a Make-Whole Exercise shall be determined by a straight-line interpolation between the number of shares set forth for the higher and lower Redemption Fair Market Values and the earlier and later redemption dates, as applicable, based on a 365- or 366-day year, as applicable.

The share prices set forth in the column headings of the table above shall be adjusted as of any date on which the number of shares issuable upon exercise of a Warrant or the Exercise Price is adjusted pursuant to Section 4 hereof. If the number of shares issuable upon exercise of a Warrant is adjusted pursuant to Section 4 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of shares deliverable upon exercise of a Warrant immediately prior to such adjustment and the denominator of which is the number of shares deliverable upon exercise of a Warrant as so adjusted. The number of shares in the table above shall be adjusted in the same manner and at the same time as the number of shares issuable upon exercise of a Warrant. If the Exercise Price is adjusted, (a) in the case of an adjustment pursuant to Section 4.3.2 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment multiplied by a fraction, the

numerator of which is the higher of the Market Value and the Newly Issued Price and the denominator of which is \$10.00 and (b) in the case of an adjustment pursuant to Section 4.1.2 hereof, the adjusted share prices in the column headings shall equal the share prices immediately prior to such adjustment less the decrease in the Exercise Price pursuant to such Exercise Price adjustment. In no event shall the number of shares issued in connection with a Make-Whole Exercise exceed 0.361 shares of Common Stock per Warrant (subject to adjustment).

6.3 Date Fixed for, and Notice of, Redemption; Redemption Price; Reference Value. In the event that the Company elects to redeem all of the Warrants pursuant to Section 6.1 or Section 6.2, the Company shall fix a date for the redemption (the “**Redemption Date**”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date (period lasting from such time until the Redemption Date, the “**Redemption Period**”) to the Registered Holders of the Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the Registered Holder received such notice. As used in this Agreement, (a) “**Redemption Price**” shall mean the price per Warrant at which any Warrants are redeemed pursuant to Sections 6.1 or 6.2 and (b) “**Reference Value**” shall mean the closing price of the Common Stock for any twenty (20) trading days within the thirty (30) trading-day period ending on the third trading day prior to the date on which the Company sends a notice of the redemption to the Registered Holders.

6.4 Exercise After Notice of Redemption. The Warrants may be exercised, for cash (or, if in connection with a redemption pursuant to Section 6.2 hereof, on a “cashless basis” in accordance with such section) at any time after notice of redemption shall have been given by the Company pursuant to Section 6.3 hereof and prior to the Redemption Date. On and after the Redemption Date, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price.

6.5 Exclusion of Private Placement Warrants. The Company agrees that (a) the redemption rights provided in Section 6.1 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees and (b) the redemption rights provided in Section 6.2 hereof shall not apply to the Private Placement Warrants if at the time of the redemption such Private Placement Warrants continue to be held by the Sponsor or its Permitted Transferees and the Reference Value equals or exceeds \$18.00 per share (subject to adjustment in compliance with Section 4 hereof). However, once such Private Placement Warrants are transferred (other than to Permitted Transferees under subsection 2.6), the Company may redeem the Private Placement Warrants pursuant to Section 6.1 or 6.2 hereof, provided that the criteria for redemption are met, including the opportunity of the holder of such Private Placement Warrants to exercise the Private Placement Warrants prior to redemption pursuant to Section 6.4. Private Placement Warrants that are transferred to persons other than Permitted Transferees shall upon such transfer cease to be Private Placement Warrants and shall become Public Warrants under this Agreement.

## 7. Other Provisions Relating to Rights of Holders of Warrants.

7.1 No Rights as Stockholder. A Warrant does not entitle the Registered Holder thereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

7.2 Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant is lost, stolen, mutilated or destroyed, the Company and the Warrant Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant, include the surrender thereof), issue a new Warrant of like denomination, tenor and date as the Warrant so lost, stolen, mutilated or destroyed, and countersigned by the Warrant Agent. Any such new Warrant shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated or destroyed Warrant shall be at any time enforceable by anyone. Warrant Agent may, at its option, countersign replacement Warrants for mutilated certificates upon presentation thereof without such indemnity.

7.3 Reservation of Shares of Common Stock. The Company shall at all times reserve and keep available a number of its authorized but unissued shares of Common Stock that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

7.4 Registration of Shares of Common Stock; Cashless Exercise at Company's Option.

7.4.1 Registration of Shares of Common Stock. The Company agrees that as soon as practicable, but in no event later than fifteen (15) Business Days after the closing of its initial Business Combination, it shall use its reasonable best efforts to file with the Commission a registration statement for the registration, under the Securities Act of the shares of Common Stock issuable upon exercise of the Warrants. The Company shall use its reasonable best efforts to cause the same to become effective within sixty (60) Business Days following the closing of the initial Business Combination and to maintain the effectiveness of such registration statement, and a current prospectus relating thereto, until the expiration or redemption of the Warrants in accordance with the provisions of this Agreement. If any such registration statement has not been declared effective by the 60th Business Day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the 61st Business Day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the issuance of the shares of Common Stock issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis," by exchanging the Warrants (in accordance with Section 3(a)(9) of the Securities Act (or any successor statute) or another exemption) for that number of shares of Common Stock equal to the lesser of (A) the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the excess of the "Fair Market Value" (as defined below) over the Warrant Price by (y) the Fair Market Value and (B) 0.361. Solely for purposes of this subsection 7.4.1, "Fair Market Value" shall mean the average closing price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date that notice of exercise is sent to the Warrant Agent from the holder of such Warrants or its securities broker or intermediary. The date that notice of "cashless exercise" is received by the Warrant Agent shall be conclusively determined by the Warrant Agent. In connection with the "cashless exercise" of a Public Warrant, the Company shall, upon request, provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a "cashless basis" in accordance with this subsection 7.4.1 is not required to be registered under the Securities Act and (ii) the shares of Common Stock issued upon such exercise shall be freely tradable under United States federal securities laws by anyone who is not (and has not been during the preceding three months) an affiliate (as such term is defined in Rule 144 under the Securities Act (or any successor rule)) of the Company and, accordingly, shall not be required to bear a restrictive legend. Except as provided in subsection 7.4.2, for the avoidance of doubt, unless and until all of the Warrants have been exercised or have expired, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this subsection 7.4.1.

7.4.2 Cashless Exercise at Company's Option. If the shares of Common Stock are at the time of any exercise of a Warrant not listed on a national securities exchange such that it satisfies the definition of a "covered security" under Section 18(b)(1) of the Securities Act (or any successor statute), the Company may, at its option, require holders of Public Warrants who exercise Public Warrants to exercise such Public Warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act (or any successor statute) as described in subsection 7.4.1 and (i) in the event the Company so elects, the Company shall not be required to file or maintain in effect a registration statement for the registration, under the Securities Act, of the shares of Common Stock issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary or (ii) if the Company does not so elect, the Company agrees to use its reasonable best efforts to register or qualify for sale the shares of Common Stock issuable upon exercise of the Public Warrant under the blue sky laws of the state of residence of the exercising Public Warrant holder to the extent an exemption is not available.

## 8. Concerning the Warrant Agent and Other Matters.

8.1 Payment of Taxes. The Company shall from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of shares of Common Stock upon the exercise of the Warrants, but the Company and the Warrant Agent shall not be obligated to pay any transfer taxes in respect of the Warrants or such shares of Common Stock.

### 8.2 Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1 Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of ninety (90) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of a Warrant (who shall, with such notice, submit his Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company's cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be authorized under applicable laws to exercise the powers of a transfer agent and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2 Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the Company's transfer agent for the shares of Common Stock not later than the effective date of any such appointment.

8.2.3 Merger or Consolidation of Warrant Agent. Any entity into which the Warrant Agent may be merged or with which it may be consolidated or any entity resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

### 8.3 Fees and Expenses of Warrant Agent.

8.3.1 Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and shall, pursuant to its obligations under this Agreement, reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2 Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

#### 8.4 Liability of Warrant Agent.

8.4.1 Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chairman of the Board, Chief Executive Officer, Chief Financial Officer, the President or the Secretary or other principal officer of the Company and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2 Indemnity. The Warrant Agent shall be liable hereunder only for its own, or its representatives', gross negligence, willful misconduct, bad faith or material breach of this Agreement. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement, except as a result of the Warrant Agent's, or its representatives', gross negligence, willful misconduct, bad faith or material breach of this Agreement.

8.4.3 Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof). The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant. The Warrant Agent shall not be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock to be issued pursuant to this Agreement or any Warrant or as to whether any shares of Common Stock shall, when issued, be valid and fully paid and non-assessable.

8.5 Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of shares of Common Stock through the exercise of the Warrants.

8.6 Waiver. The Warrant Agent has no right of set-off or any other right, title, interest or claim of any kind ("**Claim**") in, or to any distribution of, the Trust Account (as defined in that certain Investment Management Trust Agreement, dated as of the date hereof, by and between the Company and the Warrant Agent as trustee thereunder) and hereby agrees not to seek recourse, reimbursement, payment or satisfaction for any Claim against the Trust Account for any reason whatsoever. The Warrant Agent hereby waives any and all Claims against the Trust Account and any and all rights to seek access to the Trust Account.

## 9. Miscellaneous Provisions.

9.3 Applicable Law and Exclusive Forum. The validity, interpretation, and performance of this Agreement and of the Warrants shall be governed in all respects by the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The Company hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction, which jurisdiction shall be exclusive forum for any such action, proceeding or claim. (i) The Company hereby waives any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum. Notwithstanding the foregoing, the provisions of this paragraph will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America are the sole and exclusive forum, and (ii) unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the full extent permitted by law, be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act or the rules and regulations promulgated thereunder.

Any person or entity purchasing or otherwise acquiring any interest in the Warrants shall be deemed to have notice of and to have consented to the forum provisions in this Section 9.3. If any action, the subject matter of which is within the scope the forum provisions above, is filed in a court other than a court located within the State of New York or the United States District Court for the Southern District of New York (a “*foreign action*”) in the name of any warrant holder, such warrant holder shall be deemed to have consented to: (x) the personal jurisdiction of the state and federal courts located within the State of New York or the United States District Court for the Southern District of New York in connection with any action brought in any such court to enforce the forum provisions (an “*enforcement action*”), and (y) having service of process made upon such warrant holder in any such enforcement action by service upon such warrant holder’s counsel in the foreign action as agent for such warrant holder.

9.4 Compliance and Confidentiality. The Warrant Agent shall perform its duties under this Agreement in compliance with all applicable laws and keep confidential all information relating to this Agreement and, except as required by applicable law, shall not use such information for any purpose other than the performance of the Warrant Agent’s obligations under this Agreement.

9.5 Persons Having Rights under this Agreement. Nothing in this Agreement shall be construed to confer upon, or give to, any person or corporation other than the parties hereto and the Registered Holders of the Warrants any right, remedy, or claim under or by reason of this Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. All covenants, conditions, stipulations, promises, and agreements contained in this Agreement shall be for the sole and exclusive benefit of the parties hereto and their successors and assigns and of the Registered Holders of the Warrants.

9.6 Examination of the Warrant Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Warrant Agent for inspection by the Registered Holder of any Warrant. The Warrant Agent may require any such holder to submit such holder’s Warrant for inspection by the Warrant Agent.

9.7 Counterparts; Electronic Signatures. This Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument. A signature to this Agreement transmitted electronically shall have the same authority, effect, and enforceability as an original signature.

9.8 Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

9.9 Amendments. This Agreement may be amended by the parties hereto without the consent of any Registered Holder for the purpose of (x) curing any ambiguity, or curing, correcting or supplementing any defective provision contained herein, including to conform the provisions hereof to the description of the terms of the Warrants and this Agreement set forth in the Prospectus or defective provision, (y) adjusting the definition of “Ordinary Cash Dividend” as contemplated by and in accordance with the second sentence of subsection 4.1.2 or (z) adding or changing any other provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the interest of the Registered Holders. All other modifications or amendments, including any modification or amendment to increase the Warrant Price or shorten the Exercise Period shall require the vote or written consent of the Registered Holders of at least a majority of the number of the then outstanding Public Warrants and, solely with respect to any amendment to the terms of the Private Placement Warrants, at least a majority of the number of then outstanding Private Placement Warrants. Notwithstanding the foregoing, the Company may lower the Warrant Price or extend the duration of the Exercise Period pursuant to Sections 3.1 and 3.2, respectively, without the consent of the Registered Holders.

9.10 Severability. Ex. A-3

Notwithstanding anything else in this Warrant Certificate or the Warrant Agreement, no Warrant may be exercised unless at the time of exercise (i) a registration statement covering the shares of Common Stock to be issued upon exercise is effective under the Securities Act and (ii) a prospectus thereunder relating to the shares of Common Stock is current, except through “cashless exercise” as provided for in the Warrant Agreement.

The Warrant Agreement provides that upon the occurrence of certain events the number of shares of Common Stock issuable upon exercise of the Warrants set forth on the face hereof may, subject to certain conditions, be adjusted. If, upon exercise of a Warrant, the holder thereof would be entitled to receive a fractional interest in a share of Common Stock, the Company shall, upon exercise, round down to the nearest whole number of shares of Common Stock to be issued to the holder of the Warrant.

Warrant Certificates, when surrendered at the designated office of the Warrant Agent by the Registered Holder thereof in person or by legal representative or attorney duly authorized in writing, may be exchanged, in the manner and subject to the limitations provided in the Warrant Agreement, but without payment of any service charge, for another Warrant Certificate or Warrant Certificates of like tenor evidencing in the aggregate a like number of Warrants.

Upon due presentation for registration of transfer of this Warrant Certificate at the office of the Warrant Agent a new Warrant Certificate or Warrant Certificates of like tenor and evidencing in the aggregate a like number of Warrants shall be issued to the transferee(s) in exchange for this Warrant Certificate, subject to the limitations provided in the Warrant Agreement, without charge except for any tax or other third-party charges imposed in connection therewith.

The Company and the Warrant Agent may deem and treat the Registered Holder(s) hereof as the absolute owner(s) of this Warrant Certificate (notwithstanding any notation of ownership or other writing hereon made by anyone), for the purpose of any exercise hereof, of any distribution to the holder(s) hereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary. Neither the Warrants nor this Warrant Certificate entitles any holder hereof to any rights of a stockholder of the Company.

# **EXHIBIT B**

April 4, 2022

**NOTICE OF REDEMPTION OF ALL OUTSTANDING  
WARRANTS (CUSIP 05601U113)**

Dear Warrant Holder,

BRC Inc. (the “*Company*”) hereby gives notice that it is redeeming, at 5:00 p.m. New York City time on May 4, 2022 (the “*Redemption Date*”), all of the Company’s outstanding warrants (the “*Warrants*”) to purchase shares of the Company’s Class A common stock, par value \$0.0001 per share (the “*Class A Common Stock*”), that were originally issued under the Warrant Agreement, dated as of February 25, 2021 (the “*Warrant Agreement*”), by and between SilverBox Engaged Merger Corp I (“*SilverBox*”) and Continental Stock Transfer & Trust Company, as warrant agent (the “*Warrant Agent*”), and further assumed by the Company on February 9, 2022, as part of the units sold in SilverBox’s initial public offering (the “*IPO*”) (such warrants, the “*Public Warrants*”) or in a private placement simultaneously with the IPO (such warrants, the “*Private Warrants*” which, together with the Public Warrants, constitute the Warrants), as applicable, in each case for a redemption price of \$0.10 per Warrant (the “*Redemption Price*”).

Under the terms of the Warrant Agreement, the Company is entitled to redeem all of the outstanding Warrants at the Redemption Price provided that the closing price of the Class A Common Stock for any twenty (20) trading days within the thirty (30) trading-day period ending on the third trading day prior to the date on which the Company sends a notice of the redemption to the registered holders of the outstanding Warrants (the “*Reference Value*”) equals or exceeds \$10.00 per share, and if the Reference Value is less than \$18.00 per share, the Private Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants. At the direction of the Company, the Warrant Agent is delivering this notice of redemption (this “*Redemption Notice*”) to each of the registered holders of the outstanding Warrants.

**The Warrants may be exercised on a cashless basis by the holders thereof until 5:00 p.m. New York City time on the Redemption Date to acquire fully paid and non-assessable shares of Class A Common Stock underlying such Warrants.** Payment upon exercise of the Warrants will be made on a “cashless basis” in which the exercising holder will receive a number of shares of Class A Common Stock to be determined in accordance with the terms of the Warrant Agreement and based on the Redemption Date and the volume weighted average price of the Class A Common Stock for the ten (10) trading days immediately following the date on which the Redemption Notice is sent to the registered holders of the outstanding Warrants (the “*Redemption Fair Market Value*”). The Company will provide holders notice of the Redemption Fair Market Value no later than one (1) business day after such ten (10) trading day period ends. In no event will the number of shares of Class A Common Stock issued in connection with an exercise on a cashless basis exceed 0.361 shares of Class A Common Stock per Warrant. If any holder of Warrants would, after taking into account all of such holder’s Warrants exercised at one time, be entitled to receive a fractional interest in a share of Class A Common Stock, the number of shares the holder will be entitled to receive will be rounded down to the nearest whole number of shares. Warrant holders may not exercise Warrants and receive shares of Class A Common Stock in exchange for payment in cash of the \$11.50 per Warrant exercise price until a registration statement covering the issuance of shares of Class A Common Stock upon exercise of the Warrants for cash under the Securities Act of 1933, as amended (the “*Securities Act*”), is declared effective by the Securities and Exchange Commission (the “*SEC*”). The Company filed a registration statement on Form S-1 with the SEC (Registration No. 333-263627) to register the issuance of shares of Class A Common Stock upon exercise of the Warrants for cash under the Securities Act, but the registration statement has not yet been declared effective by the SEC and the Company cannot give any assurances that the SEC will declare it effective prior to the Redemption Date. To the extent the registration statement is declared effective by the SEC prior to the Redemption Date, the Company will inform Warrant holders of the procedure to exercise their Warrants for cash and receive shares of Class A Common Stock in exchange for payment in cash of the \$11.50 per Warrant exercise price.

The Public Warrants and the Class A Common Stock are listed on the New York Stock Exchange (“*NYSE*”) under the symbols “BRCC WS” and “BRCC,” respectively. On April 1, 2022, the closing price of the Public Warrants was \$4.73 and the closing price of the Class A Common Stock was \$21.97. **The Company understands from NYSE that May 3, 2022, the trading day prior to the Redemption Date, will be the last day on which the Warrants will be traded on NYSE.**

---

## TERMS OF REDEMPTION; CESSATION OF RIGHTS

**The rights of the Warrant holders to exercise their Warrants will terminate immediately prior to 5:00 p.m. New York City time on the Redemption Date.** At 5:00 p.m. New York City time on the Redemption Date and thereafter, holders of unexercised Warrants will have no rights with respect to those Warrants, except to receive the Redemption Price or as otherwise described in this Redemption Notice for holders who hold their Warrants in “street name.” **We encourage you to consult with your broker, financial advisor and/or tax advisor to consider whether or not to exercise your Warrants.**

The Company is exercising this right to redeem the Warrants pursuant to Section 6.2 of the Warrant Agreement. Pursuant to Section 6.2 of the Warrant Agreement, the Company has the right to redeem all of the outstanding Warrants at the Redemption Price provided that the Reference Value equals or exceeds \$10.00 per share and if the Reference Value is less than \$18.00 per share, the Private Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants.

The Reference Value exceeded \$10.00 per share and was less than \$18.00 per share for any twenty (20) trading days within the thirty (30) trading-day period ending on March 30, 2022 (which is the third trading day prior to the sending of this Redemption Notice).

## EXERCISE PROCEDURES

**Warrant holders have until 5:00 p.m. New York City time on the Redemption Date to exercise their Warrants to purchase Class A Common Stock on a “cashless” basis.** Payment upon exercise of the Warrants will be made on a “cashless basis” in which the exercising holder will receive a number of shares of Class A Common Stock to be determined in accordance with the terms of the Warrant Agreement and based on the Redemption Date and the Redemption Fair Market Value. The Company will provide holders notice of the Redemption Fair Market Value no later than one (1) business day after the ten (10) trading day period used to determine the Redemption Fair Market Value ends. In no event will the Warrants be exercisable in connection with this redemption feature for more than 0.361 shares of Class A Common Stock per Warrant. If any holder of Warrants would, after taking into account all of such holder’s Warrants exercised at one time, be entitled to receive a fractional interest in a share of Class A Common Stock, the number of shares the holder will be entitled to receive will be rounded down to the nearest whole number of shares. Warrant holders may not exercise Warrants and receive shares of Class A Common Stock in exchange for payment in cash of the \$11.50 per Warrant exercise price until a registration statement covering the issuance of shares of Class A Common Stock upon exercise of the Warrants for cash under the Securities Act is declared effective by the SEC. The Company filed a registration statement on Form S-1 with the SEC (Registration No. 333-263627) to register the issuance of shares of Class A Common Stock upon exercise of the Warrants for cash under the Securities Act, but the registration statement has not yet been declared effective by the SEC and the Company cannot give any assurances that the SEC will declare it effective prior to the Redemption Date. To the extent the registration statement is declared effective by the SEC prior to the Redemption Date, the Company will inform Warrant holders of the procedure to exercise their Warrants for cash and receive shares of Class A Common Stock in exchange for payment in cash of the \$11.50 per Warrant exercise price.

**Those who hold their Warrants in “street name” should immediately contact their broker to determine their broker’s procedure for exercising their Warrants.**

Persons who are holders of record of their Warrants may exercise their Warrants by sending (1) the warrant certificate representing the Warrants being exercised (a “*Warrant Certificate*”) and (2) a fully and properly completed “Election to Purchase” (a form of which is attached hereto as Annex A), duly executed and indicating, among other things, the number of Warrants being exercised on a cashless basis to the Warrant Agent at:

Continental Stock Transfer & Trust Company  
1 State Street, 30th Floor  
New York, NY 10004  
Attention: Reorganization Department  
Telephone: (212) 509-4000

---

The method of delivery of the Warrants is at the option and risk of the holder, but if mail is used, registered mail properly insured is suggested.

**The Warrant Certificate and the fully and properly completed Election to Purchase must be received by Continental Stock Transfer & Trust Company prior to 5:00 p.m. New York City time on the Redemption Date. Subject to the following paragraph, any failure to deliver the Warrant Certificate and a fully and properly completed Election to Purchase before such time will result in such holder's Warrants being redeemed and not exercised.**

#### WARRANTS HELD IN STREET NAME

For holders of Warrants who hold their Warrants in "street name," provided that a Notice of Guaranteed Delivery is received by the Warrant Agent prior to 5:00 p.m. New York City time on the Redemption Date, broker-dealers shall have two NYSE trading days from the Redemption Date, or 5:00 p.m. New York City time on May 6, 2022, to deliver the Warrants to the Warrant Agent. Any such Warrant received without the Election to Purchase or the Notice of Guaranteed Delivery having been duly executed and fully and properly completed will be deemed to have been delivered for redemption (at the Redemption Price of \$0.10 per Warrant), and not for exercise.

#### REDEMPTION PROCEDURE

Payment of the Redemption Price will be made by the Company upon presentation and surrender of a Warrant for payment after 5:00 p.m. New York City time on the Redemption Date. **Those who hold their shares in "street name" should contact their broker to determine their broker's procedure for redeeming their Warrants.**

\*\*\*\*\*

Under United States federal income tax laws, the Warrant Agent may be required to withhold 24% of the Redemption Price unless such holder has furnished a valid taxpayer identification number and certification that the number supplied is correct and that the holder is not subject to backup withholding or has otherwise established that such holder is not subject to backup withholding. Holders of the Warrants who wish to avoid backup withholding should submit to the Warrant Agent either a completed Internal Revenue Service ("IRS") Form W-9 (use only if the holder is a U.S. person, as defined in the instructions to IRS Form W-9), or the appropriate IRS Form W-8 (use only if the holder is not a U.S. person as defined in the instructions to IRS Form W-9), if the holder has not already provided such documentation to the Warrant Agent. See: IRS Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities. Publication 515, IRS Form W-9 and IRS Form W-8 forms and corresponding instructions are available through the IRS website at [www.irs.gov](http://www.irs.gov). **Holders should consult their own tax advisors regarding such IRS Forms and the United States federal, state and local and non-United States tax consequences of redemption of the Warrants and the other transactions contemplated by this notice.**
